

# IZMIR INSTITUTE OF TECHNOLOGY

## FACULTY OF ARCHITECTURE

### DEPARTMENT OF ARCHITECTURE

## CALL FOR GRADUATE PROGRAMS

### MSc & PhD in Architecture | Fall 2025 Intake

**Application Deadline : 27.06.2025**

### THE FIELDS OF STUDIES IN THE MASTERS & DOCTORAL PROGRAMS

- Artificial Intelligence/ Optimization in Performative Architecture
- Building Physics (energy, lighting, acoustics)
- Construction Management
- Design Cognition and Computing
- Earthquake/Fire Resistant Design of Structures
- History
- Kinetic Architecture
- Sustainable Design
- Theory and Criticism

### FOR APPLICATION:

 @iytemimarlikfakultesi  
@iytemimarlikbolumu

 <http://arch.iyte.edu.tr/>

 Phone: 0 232 750 7000

 E-mail: mimfak@iyte.edu.tr

The Department of Architecture at Izmir Institute of Technology (IZTECH) was established in 1995 with the aim of advancing architectural education through a research-driven and interdisciplinary approach. As part of a public research university, the department offers graduate programs leading to Master of Architecture (M.Arch) and Ph.D. degrees, with a strong emphasis on scientific inquiry, design innovation, and technological integration. The graduate programs are designed to cultivate critical thinking, academic rigor, and original research, positioning students for careers in academia, practice, and beyond.

### How To Apply?

<https://lubes.iyte.edu.tr/>

### Required Documents:

#### MSc:

<https://lee.iyte.edu.tr/basvurular/lisansustu-basvurular/yuksek-lisans-basvurusu/>

#### PhD:

<https://lee.iyte.edu.tr/basvurular/lisansustu-basvurular/doktora-basvurusu/>

#### Address:

Department of Architecture Izmir Institute of Technology, Gülbahçe Village, Urla 35430 Izmir, Turkey
